DATE: September 19, 2008

In its September 18, 2008, meeting the Common Manual Governing Board approved the nine policy proposals from Batch 151 (proposal numbers noted above). Policy 1055 was deferred for additional research and development.

The approved policies may now be implemented based on their individual effective dates. Updates for these policies will be published in three separate forums for reference:

- The revised policy text will be incorporated into the next version of the *Integrated Common Manual* (ICM). The ICM is available on many guarantor websites and is also available on the *Common Manual* website at www.commonmanual.org.
- The revised policy language will be included in the 2009 paper and electronic (ECM) versions of the *Common Manual*.

If you have any questions about the enclosed proposals or any aspect of the *Common Manual* process, please contact Susan Fields at 217-524-7931, or by e-mail at sfields@isac.org.
