

The nation=s guarantors provide the following summaries to inform schools, lenders, and servicers of the latest *Common Manual* policy changes. These changes will appear in the manual=s next annual update. These changes will also be incorporated into the *Integrated Common Manual*. The *Integrated Common Manual* is available on several guarantor websites, and it is also available on *Common Manual*=s website at www.commonmanual.org. Please carefully note the effective date of each policy change.

Total and Permanent Disability Claims

The *Common Manual* has been updated to incorporate a provision that requires a lender to provide to the guarantor certain electronic signature and disbursement information when filing a total and permanent disability claim that is not based on a determination by the Department of Veterans Affairs (VA). The required information must be submitted via the FFELP Assignment Support Supplemental Form (TPD-Specific worksheet).

Affected Sections:	2.3.C	Claim Forms
	13.1.D	Claim File Documentation
Effective Date:	Total and permanent disability claims that are not based on a determination by the Department of Veterans Affairs and that are filed by the lender on or after January 1, 2010, unless implemented earlier by the guarantor.

Income Documentation for Income-Based Repayment

The *Common Manual* has been revised to state that for the purpose of determining whether a borrower has a partial financial hardship (PFH) under an income-based repayment (IBR) plan, the lender may accept a signed copy of the page(s) of the borrower=s most recent federal income tax return that contains the borrower=s AGI, or the tax transcript information from the IRS that contains the adjusted gross income (AGI) and other tax return information. To obtain the tax transcript information from the IRS, the borrower may either submit a signed consent form (IRS Form 4506-T) directly to the lender, or the borrower may submit the form directly to the IRS and request that the information be sent directly to either the lender or the borrower.

Credit Standards and Adverse Credit

The *Common Manual* has been revised by replacing the terms “creditworthy” and “creditworthiness” with terminology related to not having an adverse credit history when used in the context of an applicant=s or endorser=s eligibility for a PLUS loan. This change would align Manual language more consistently with regulatory language, since the federal regulations do not use the terms “creditworthy” or “creditworthiness”

in the context of an applicant's or endorser's eligibility for a PLUS loan. The regulations instead state that in order for an otherwise eligible applicant (or endorser, as applicable) to receive a PLUS loan, the lender must obtain a credit report from at least one national credit bureau and determine, based on that report, that the applicant (or endorser, as applicable) does not have an adverse credit history, as defined in regulations.

In addition, the text in the Manual was revised by replacing the term "creditworthiness" with the term "credit standards" when used in the context of a lender's independent credit criteria for a Stafford or PLUS applicant.

Affected Sections:	2.1.B	Types of Loans Available
	2.2.A	Origination
	6.16	Applying for Federal Stafford and PLUS Loans
	7.1.A.	General Determinations
	7.1.B	Creditworthiness
	7.1.C	Effect of Bankruptcy on Creditworthiness
