

The Policy Committee provides the following information to assist the community in understanding the status of policies in development and to anticipate the publication of future batches of policy proposals. The charts below indicate policy proposals in progress, other initiatives under development, and policy proposals approved after April 19, 2007, the last date on which the Board approved policies for inclusion in the 2007 version of the *Common Manual*. The Policy Committee hopes this monthly update will assist you in planning for your participation in all stages of policy proposal development and distribution.

As indicated in the charts below, one batch is with the Governing Board for consideration at its November meeting; one on which comments were just received from the community is under additional review and development by the Policy Committee; and one was just released to the community for review.
