

The nation's guarantors provide the following summaries to inform schools, lenders, and servicers of the latest *Common Manual* policy changes. These changes will appear in the manual's next annual update. These changes will also be incorporated into the *Integrated Common Manual* released in September 2011. The *Integrated Common Manual* is available on several guarantor websites, and it is also available on the *Common Manual's* website at www.commonmanual.org. Please carefully note the effective date of each policy change.
