Loan Assignment and Sale

A loan assignment or sale may occur only between holders that are eligible to participate in the loan and guarantor programs applicable to the type of loan being assigned or sold. For example, a PLUS loan may be assigned only if the current holder and the new holder are both eligible to make or hold PLUS loans and both have participation agreements with the guarantor of the loan. [§682.401(b)(17)(i)]

If the assignment or sale of the loan changes the identity of the party to whom payments must be made, the loan may be assigned or sold only if it is fully disbursed. If the loan assignment or sale does not change the identity of the party to whom payments are made, the lender may assign or sell the loan any time after making the first disbursement. [§682.401(b)(17)(i) and (iii)]

When a loan made under a Master Promissory Note (MPN) is sold, the terms of the loan sale determine whether the origination rights (i.e., the right to make subsequent loans to the borrower under the same MPN) are assigned to the new holder of the loan or retained by the original holder. Origination rights may not be assigned without a loan sale. Each loan made under an MPN may be enforced separately based on the original MPN or a true and exact copy of the MPN. See Section 7.2 for additional information.

Both the buying and selling holders must notify the borrower—either jointly or separately—of a loan’s assignment, sale, or transfer. This notification must include the following information: [§682.208(e)(1)(i)]

- The identity of the buying lender and/or the new servicer. [§682.208(e)(1)(ii)]
- The address to which the borrower’s subsequent payments and communications should be sent. [§682.208(e)(1)(iii)]
- The telephone numbers of both the buying and selling lenders—or, if either lender utilizes a loan servicer, the telephone number of each servicer. [§682.208(e)(1)(iv)]
- The effective date of the loan’s assignment, sale, or transfer. [HEA §428(b)(2)(F)(i)(V)]

Both holders must send the preceding information to the borrower within 45 days after the assignment or sale is legally completed. If each holder provides separate notification to a borrower, each must include in its notice a statement that the other holder will be sending a similar notice under separate cover. [§682.208(e)(1) and (2)]

Loan Transfer

In some cases—such as a servicer transfer or branch transfer—a FFELP loan that is in grace or in repayment is not assigned or sold, but there is a change in the identity of the party to whom the borrower must send subsequent payments or communications. If this occurs, the loan holder must notify the borrower that the loan has been transferred and must provide the following information:

- The name of the new servicer, if applicable.
- The telephone number and address of the servicer or branch to which the borrower’s subsequent payments or communications should be sent.

The lender must send the preceding information to the borrower within 45 days after the transfer is completed. [§682.208(h)]

Documentation Requirements

Although guarantors do not require that a copy of the notice of loan sale or transfer be included in a claim file, the lender must be able to provide evidence that the notice was provided to the borrower. For this reason, the lender must retain a record of the notice for at least 3 years after the date the loan is paid in full by the borrower or 5 years after the date the lender receives payment in full from any other source. This record may be stored on microform, optical disk, or other machine-readable format, and must be available for program compliance reviews. [§682.414(a)(4)(ii)(H) and (iii); §682.414(a)(5)(i)]

1. Policy 1081 (Batch 156), approved February 19, 2009
3.4.C Permitted and Prohibited Activities

Permitted Activities

A lender is permitted to engage in the following activities in carrying out its role in the FFELP and providing service to schools and FFELP borrowers. The lender may provide:

- Technical assistance to a school that is comparable to the kinds of technical assistance provided to a school by the Department under the Federal Direct Loan Program, as identified by the Department in public announcements, such as a notice in the Federal Register.
  [HEA §435(d)(5); §682.200(b) definition of lender (5)(ii)(A)]

- Exit counseling services, as long as the school’s staff is in control of the counseling, whether in person or via electronic capabilities, and such counseling does not promote the products and services of any specific lender.
  [HEA §435(d)(5)(G)]

- Support of, and participation in, a school’s or guarantor’s student aid or financial literacy-related outreach activities, as long as the name of the entity that developed and paid for any materials is provided to the participants and the lender does not promote its student loan or other products.

- Meals, refreshments, and receptions that are reasonable in cost and scheduled in conjunction with training, meeting or conference events, if those meals, refreshments, or receptions are open to all training, meeting, or conference attendees.

- Toll-free numbers for use by a school or others to obtain information about FFELP loans.

- Free data transmission service for a school to use in electronically submitting applicant loan information or student status information or confirmation data.

- A reduced origination fee (when permitted by statute; see Subsection 3.5.A).

- A reduced interest rate.

- Payment of the federal default fee on behalf of the FFELP borrower.

- A premium payment to another lender for the purchase of a loan.

- Other benefits to a borrower under a repayment incentive program that requires, at a minimum, one or more scheduled payments in order to receive or retain the benefit.

- Benefits under a loan forgiveness program for public service or other targeted purposes approved by the Department, provided these benefits are not marketed to secure loan applications or loan guarantees.

- Items of nominal value to schools, school-affiliated organizations, and to borrowers that are offered as a form of generalized marketing or advertising, or to create good will.

- Other services identified by the Department through a public announcement, such as a notice in the Federal Register.
  [§682.200(b)]

The references to “applications” above includes the Free Application for Federal Student Aid (FAFSA), and FFELP Master Promissory Notes and application and promissory notes.
  [§682.200(b) definition of lender (5)(iii)(B)]

Prohibited Activities

The following activities are prohibited by federal regulations and may result in a loss of the lender’s FFELP eligibility:

- Receiving points, premiums, payments, additional interest, or any other form of compensation from another entity to obtain funds with which to make loans or to induce the lender to make loans either to a student or a parent borrower from a particular school or to any particular category of student or parent. Examples of such prohibited incentive payments include:
  [§682.212(a)]

  – Cash payments made to a lender by or on behalf of a school.
  [§682.212(b)(1)]

1. Policy 1082 (Batch 156), approved February 19, 2009
3.4.C Permitted and Prohibited Activities

The maintenance of a compensating balance with a lender by or on behalf of a school.
[§682.212(b)(2)]

Payments to a lender by or on behalf of a school for servicing costs on loans that the school does not own.
[§682.212(b)(3)]

Payments to a lender by or on behalf of a school for unreasonably high servicing costs on loans owned by the school.
[§682.212(b)(4)]

Purchase of a lender’s stock by or on behalf of a school.
[§682.212(b)(5)]

Payments ostensibly made for other purposes.
[§682.212(b)(6)]

Refusing to make, purchase, consolidate, or refinance a loan because of the borrower’s race, national origin, religion, sex, marital status, age, or disability.

Offering—directly or indirectly—points, premiums, payments (including payments for referrals and for processing or finder fees), prizes, stock or other securities, travel, entertainment expenses, tuition payment or reimbursement, the provision of information technology equipment at below-market value, additional financial aid funds, or other inducements to any school or other party, any employee of the school to secure applications for FFELP loans or to secure FFELP loan volume. This includes but is not limited to:

Payments or offerings of other benefits, including prizes or additional financial aid funds, to a prospective borrower in exchange for applying for or accepting a FFELP loan from the lender.

Payments or other benefits to a school, any school-affiliated organization or to any individual in exchange for FFELP loan applications, application referrals, or a specified volume or dollar amount of loans made, or placement on the school’s list of recommended or suggested lenders.

Payments or other benefits provided to a student at a postsecondary school who acts as the lender’s representative to secure FFELP loan applications from individual prospective borrowers, unless the student is also employed by the lender for other purposes and the student has made all appropriate disclosures regarding employment with the lender.
[HEA §435(d)(5)(G); §682.200(b) definition of lender (5)(i)(A)(3)]

Payments or other benefits to a loan solicitor or sales representative of a lender who visits schools to solicit individual prospective borrowers to apply for FFELP loans from the lender.

Payment to another lender or any other party of referral fees or processing fees, except those processing fees necessary to comply with federal or state law.

Solicitation of an employee of a school or school-affiliated organization to serve on the lender’s advisory board or committee and/or payment of costs incurred on behalf of an employee of the school or a school-affiliated organization to serve on a lender’s advisory board or committee.
Compensating a school financial aid office employee or a school employee who has responsibilities with respect to the school’s student loans or other financial aid for service on an advisory board, commission, or group established by a lender or group of lenders, except that a lender may reimburse such an employee for reasonable expenses incurred in that service.
[HEA §435(d)(5)(D)]

Payment of conference or training registration, transportation, and lodging costs for an employee of a school or school-affiliated organization.

Payment of entertainment expenses, including expenses for private hospitality suites, tickets to shows or sporting events, meals, alcoholic beverages, and any lodging, rental, transportation, and other gratuities related to lender-sponsored activities for employees of a school or a school-affiliated organization.

Philanthropic activities, including providing scholarships, grants, restricted gifts, or financial contributions in exchange for FFELP loan applications or application referrals, or for a specified volume or dollar amount of FFELP loans made, or for placement on a school’s list of recommended or suggested lenders.

1. Policy 1082 (Batch 156), approved February 19, 2009
- Staffing services to a school, except for services provided to participating foreign schools at the direction of the Department, as a third-party servicer or otherwise on more than a short-term, emergency, non-recurring basis to assist a school with financial aid-related functions. The term “emergency basis” for the purpose of providing staffing support means only in the instance of a state- or federally-declared natural disaster, a federally-declared national disaster, and other localized disasters and emergencies identified by the Department.

[HEA §435(d)(5)(A); §682.200(b)]

- Performing for a school or paying, on behalf of a school, another person to perform any function that the school is required to perform under any Title IV program. A lender may participate in counseling as long as the school’s staff is in control of the counseling, whether in person or via electronic capabilities, and such counseling does not promote the products or services of any specific lender.

[HEA §435(d)(5)(E) and (F); HEA §487(e)(2)(B)(ii)(IV); §682.200(b) definition of lender (5)(ii)(B)]

- Conducting unsolicited mailings, by mail or electronically, of student loan application forms to potential borrowers (i.e., students enrolled in secondary or postsecondary schools and their family members), unless the lender has previously made a FFELP loan to the student or the student’s parent who had not previously borrowed student loans from that lender.

[HEA §435(d)(5)(B); §682.200(b) definition of lender (5)(ii)(B)]

- Entering into any type of consulting arrangement or other contract, with an employee in the financial aid office of a school or an employee who has responsibilities with respect to student loans or other financial aid at the school, to provide services to the lender.

[HEA §435(d)(5)(C)]

- Offering FFELP loans—directly or indirectly—as an inducement to a prospective borrower to purchase an insurance policy or other product or service by the borrower or other person.

[HEA §435(d)(5)(CH); §682.200(b) definition of lender (5)(ii)(C)]

- Engaging in fraudulent or misleading advertising with respect to its FFELP activities.

[HEA §435(d)(5)(D); §682.200(b) definition of lender (5)(i)(D)]

- Discounting the sale or transfer of notes, or any interest in notes, if the underlying FFELP loans were made by a school or lender having common ownership with a school—except when purchased by a state agency functioning as a secondary market, or in other circumstances approved by the Department.

[§682.212(c)]

- Using a FFELP loan as collateral for any loan bearing aggregate interest and other charges in excess of the sum of the applicable interest rate and the current special allowance rate—except to secure a loan from a state agency functioning as a secondary market, or in other circumstances approved by the Department.

[§682.212(d)]

The references to “applications” above includes the Free Application for Federal Student Aid (FAFSA) and FFELP Master Promissory Notes, and application and promissory notes.

[§682.200(b) definition of lender (5)(iii)(B)]

For purposes of clarifying prohibited lender activities, “other benefits” includes but is not limited to preferential rates for, or access to the lender’s other financial products, computer hardware or non-loan processing or non-financial aid-related software at below-market rental or purchase cost, or printing and distribution of college catalogs and other materials at reduced or no cost.

[§682.200(b) definition of lender (5)(iii)(C)]

These prohibitions do not preclude a lender—when buying loans that were originally made by a school—from obtaining a warranty from the seller to cover future reductions by the Department or a guarantor in computing the amount of loss payable on default claims caused by a seller’s or previous holder’s act or failure to act.

If warranted, the Department or a guarantor will notify a lender that an action is pending to suspend or terminate its eligibility to participate in the FFELP. The lender will be given an opportunity to appeal such an action or to present evidence that the activities in which the lender was engaged were provided for a reason unrelated to securing applications for FFELP loans or securing loan volume. For more information on termination actions, see Chapter 18.

[§682.705(c); §682.706(a) and (d); §682.707]

1. Policy 1082 (Batch 156), approved February 19, 2009
When providing either type of lender this information to the FFELP student or parent borrower, the school must not provide any additional information about any lender on the list it offers, must make clear that it is not endorsing any lender, and must clearly state that the student and/or parent FFELP borrower may choose any FFELP lender that will make loans for attendance at that school.¹

### 4.4.B Consumer Information

A school participating in any Title IV program must provide annually to all enrolled students—and to prospective students, upon request—consumer information concerning the school and any financial assistance available to students attending the school, along with the school’s completion or graduation rate and its transfer-out rate. A school must also provide consumer information to employees and prospective employees and provide certain related reports (e.g., crime statistics reports).

The school’s written student consumer information and related reports must adhere to statutory and regulatory requirements, as outlined in the HEA §485 and Subpart D (Institutional and Financial Assistance Information for Students) of the Student Assistance General Provisions. (The schools should refer to §668.41 through §668.48.) The schools also may wish to consult other Department of Education publications, such as the 07-08 FSA Handbook, Volume 2, Chapter 6-08-09 FSA Handbook, Volume 2, Chapter 6 for more information on student consumer information requirements. The school’s student consumer information plays an essential role in ensuring that prospective students receive enough information about the school and its programs to make an informed decision about where the student will pursue his or her postsecondary education. Auditors and program reviewers will examine the school’s written student consumer information for accuracy, completeness, and adherence to the requirements outlined in federal regulations.

**Student consumer information must be made available to all currently enrolled students and prospective students.**

### Regulations define a prospective student as is an individual who has contacted an eligible school to request information about admission to the school. The school must make information available to a prospective student prior to the student’s enrolling or entering into any financial obligation with the school. The school may use an Internet Website to provide information to prospective students; however, the school may not use an Intranet Website to provide information to prospective students. For enrolled students, the school may use information and make the school's written student consumer information and related reports (e.g., crime statistics reports) reasonably accessible to the individuals to whom the information must be disclosed to provide information to these students through an Internet Website or an Intranet Website that is reasonably accessible to the individuals to whom the information must be disclosed to provide information to enrolled students. [§668.41]

**Information for Student Athletes Who Are Offered Financial Aid**

When a school participating in any Title IV program offers a potential student athlete athletically related student financial aid, the school must provide the potential student athlete—and his or her parents, high school coach, and guidance counselor—information on completion or graduation rates and transfer-out rates for student athletes, following the requirements of HEA §485(e), §668.41(b), and (f), and 34 CFR §668.48. The school also must submit the report produced to provide information to these students to the Department by July 1 of each year. Schools should refer to 34 CFR §668.41(b) and (f) and §668.48 for information on disclosure requirements for student athletes. A school’s responsibilities may be satisfied if all of the following criteria are met:²

- The school is a member of a national collegiate athletic association. [§668.41(f)(1)(ii)(A)]
- The association compiles data on behalf of its member schools, which the Department determines is comparable to those required in §668.48. [§668.41(f)(1)(ii)(B)]
- The association distributes the data to all secondary schools in the United States. [§668.41(f)(1)(ii)(C)]

A school must prepare or revise information for each award year in which it participates in any Title IV program. In developing student consumer information, schools new to Title IV programs may find it helpful to review other schools’ catalogs. However, each school remains ultimately responsible for the accuracy and completeness of its student consumer information.

Financial Assistance Aid Information

A school must provide financial assistance aid information regarding its programs, including a description of all federal, state, local, private, and institutional aid programs to enrolled and prospective students. For each listed financial aid program, the school’s student consumer information must include, but is not limited to, descriptions of:

- The procedures (including deadlines) and forms a student must use to apply for assistance. [§668.42(b)(1)]
- The requirements used in determining whether a student is eligible for aid. [§668.42(b)(2)]
- The criteria used by the school to select financial aid recipients from the group of eligible applicants. [§668.42(b)(3)]
- The criteria used in determining the amount of a student’s award. [§668.42(b)(4)]

The Student Guide—Funding Education Beyond High School: The Guide to Federal Student Aid, a free booklet published by the Department, provides schools with an excellent source of material for developing descriptions of Title IV programs. A school may obtain copies by calling (800) 4-FED-AID or by mailing a request to:

Federal Student Financial Aid Information Center
Federal Student Aid
P.O. Box 84
Washington, DC 20044

Student Rights and Responsibilities

A school’s student consumer information must include a description of student rights and responsibilities specifically addressing financial assistance aid under the Title IV programs. This description must contain, but is not limited to, the following:

- The criteria for continued student eligibility under each program. [§668.42(c)(1)]
- The standards by which the school determines, for the purpose of awarding financial assistance, whether a student is making satisfactory academic progress (SAP), and the criteria that must be met by a student who has failed to maintain SAP to reestablish eligibility for assistance. [§668.42(c)(2)(i) and (ii)]
- Information on how and when a student will receive financial assistance aid payments. [§668.42(c)(3)]
- The terms and conditions of any FFELP, FDLP, or Federal Perkins loan received by a student as part of a financial assistance aid package and a sample loan repayment schedule. Loan terms that should be disclosed include the interest rate, the total amount that must be repaid, the requirements on when repayment must begin, and the length of time allotted for repayment. The necessity of repaying the loan should be emphasized. Additional information must be provided during entrance and exit counseling sessions. [HEA §485(a)(1)(M); §668.42(c)(4) and (6)]
- Provisions for cancellation, deferment, or forgiveness of FFELP loans, including deferment for service in the Peace Corps, under the Domestic Volunteer Service Act of 1973, or comparable volunteer service for a tax-exempt organization. [§668.42(c)(7)]
- The general conditions and terms applicable to any employment provided to a student as part of the student’s financial assistance aid package (for students receiving aid under the Federal Work-Study Program). [§668.42(c)(5)]

To assist schools in meeting the student consumer information requirements, each MPN includes detailed information on the terms of the borrower’s loan. By signing the Federal PLUS Loan Application and Master Promissory Note (PLUS MPN) or the Federal Stafford Loan Master Promissory Note (Stafford MPN), the borrower certifies that he or she has read the information and understands the terms of the loan, including the rights and responsibilities related to that loan. To ensure that this information is adequately communicated to the prospective student or borrower, the guarantor recommends that the information be summarized in the school’s student consumer information.

Drug Conviction Penalty Information

Upon a student’s enrollment, a school must provide the student with a separate, clear, and conspicuous written notice of the penalty (i.e., the loss of Title IV eligibility) if the student is convicted of a state or federal offense involving the possession or sale of an illegal drug that occurred while the student was enrolled in school and receiving Title IV aid. See Section 5.8 for detailed information about the time frame for which a student loses Title IV eligibility based on whether the student is convicted of a first, second, or third offense for drug possession, or a first or second offense for drug sale.
  [HEA §485(k)(1)]

A school must provide a student who loses Title IV eligibility due to a drug-related conviction with a timely, separate, clear, and conspicuous written notice. The notice must advise the student of his or her loss of Title IV eligibility and the ways in which the student may regain that eligibility (see Section 5.8).
  [HEA §485(k)(2)]

Format and Documentation Requirements

The school’s student consumer information must be disclosed to a student in a format that enables the student to read and sign the disclosure. A copy of the completed disclosure must be kept by the school in the student’s file.

4.4.C Entrance Counseling

A school must ensure that entrance counseling is conducted with each student borrower who is obtaining his or her first Stafford loan for attendance at that school—unless the student previously received a Stafford or Federal Direct Stafford loan for attendance at another school. A school also must ensure that entrance counseling is conducted with each graduate or professional student borrower who is obtaining his or her first Grad PLUS loan, unless he or she has previously received a PLUS loan, or a Direct PLUS loan. Entrance counseling must be provided before the first disbursement of a loan is released, and may be conducted by any of the following methods:

- In-person presentation.
- Audiovisual presentation.
- Interactive electronic means.

If entrance counseling is conducted through interactive electronic means, the school must take reasonable steps to ensure that each student borrower receives the counseling materials and participates in and completes the counseling. The school must ensure that an individual with expertise in Title IV programs is reasonably available shortly after the counseling has been conducted to answer questions regarding these programs. As an alternative, the school may provide the required counseling through written materials for students enrolled in a correspondence program or a study-abroad program that the home institution approves for credit.

When counseling is conducted by another party or by interactive electronic means, the school remains responsible for ensuring that each student borrower receives the counseling materials and participates in and completes entrance counseling.

A school must ensure that information on the following subjects is provided to a first-time Stafford borrower or a first-time Grad PLUS borrower who has not received a prior Stafford or Federal Direct Stafford loan:

- The use of the Master Promissory Note (MPN). This may include the multi-year feature and borrower loan control points (e.g., affirmative or passive confirmation, cancellation or reduction of the loan.

7.1.C Effect of Bankruptcy on Creditworthiness

A PLUS loan applicant is considered to have adverse credit if any of the following conditions apply:

- The applicant is 90 days or more delinquent on the repayment of any debt.  
  §682.201(c)(2)(ii)(A)

- The applicant has had any debt discharged in bankruptcy during the 5-year period before the date of the credit report (see Subsection 7.1.C).  
  §682.201(c)(2)(ii)(B)

- The applicant has been the subject of a default determination on any debt, a foreclosure, a tax lien, a repossession, a wage garnishment, or a write-off of a Title IV debt during the 5-year period before the date of the credit report.  
  §682.201(c)(2)(ii)(B)

A loan that has been discharged as the result of a closed school or false certification claim may not be considered to represent adverse credit.

A lender may use credit standards that are more restrictive than those listed in this subsection—such as an assessment of the applicant’s or endorser’s ability to repay—provided the standards are applied consistently to all applicants for PLUS loans.  
§682.201(c)

Loan Approval after Identifying Adverse Credit

If adverse credit is identified in the applicant’s credit history, the lender may approve the loan only if it determines that extenuating circumstances exist. The lender must retain a record supporting its decision. (For more information on recordkeeping requirements, see Subsection 3.4.A.) Examples of acceptable records include, but are not limited to:

- Documentation that during the period beginning on January 1, 2007, and ending on December 31, 2009, an applicant is or has been 180 days or less delinquent on mortgage loan payments on the applicant’s primary residence or on medical bill payments for the applicant or the applicant’s family.  
  HEA §428B(a)(3)(B)(i) and (ii); DCL GEN-08-08/FP-08-07

- An updated credit report indicating that the applicant is no longer 90 days or more delinquent.

- An updated credit report correcting the information found on the original credit history that resulted in an adverse credit determination.

- A statement from the creditor that the applicant has made satisfactory arrangements to repay each debt that resulted in the adverse credit determination.

- For each debt of less than $500 that is 90 days or more delinquent, a satisfactory written explanation from the applicant of the reason for the delinquency.

See Subsection 7.1.C for additional information regarding PLUS borrower creditworthiness when the borrower has filed a bankruptcy action.

7.1.C Effect of Bankruptcy on Creditworthiness

A lender may not deny a Stafford loan to an applicant solely on the basis of a bankruptcy discharge.

In the PLUS loan process, the lender must consider any debt discharged in bankruptcy to be adverse credit. However, if the lender has information on a previous or pending bankruptcy filing by a PLUS loan applicant, the lender may not deny the loan solely based on that filing. See Subsection 7.1.B for more information regarding creditworthiness.  
§682.201(c)(2)(ii)(B); DCL GEN-95-40

If the lender permits a PLUS loan applicant with adverse credit to obtain an endorser, the lender may consider an endorser’s bankruptcy filing to be adverse credit and may deny the loan on that basis.

7.2 Reviewing the Promissory Note

The lender must ensure that each loan is supported by a valid promissory note. The following subsections outline the lender’s responsibilities pertaining to promissory notes prior to loan disbursement.
that the disbursement is delivered no earlier than the calendar midpoint between the first and last scheduled days of class of the loan period.

If the loan period for a Stafford or PLUS loan consists of more than one payment period, the earliest date on which a second or subsequent disbursement may be made is:

- 13 days before the first day of any subsequent payment period for a loan disbursed by EFT or master check.
- 30 days before the first day of any subsequent payment period for a loan disbursed by individual check.

For more information on scheduling disbursements and payment periods, see Sections 6.4 and 6.3.

### 7.7.C Disbursement by Individual Check

A Stafford loan disbursed by an individual check must be made payable to the student or made copayable to the student and the school. A PLUS loan disbursed by an individual check must be made copayable to the borrower and the school. The lender must provide the borrower’s name and Social Security number on the loan check, and student’s name and Social Security number for parent PLUS loans. The lender must also provide sufficient identifying information on the individual check to ensure that the school may efficiently match the check to the appropriate student. Such information may include the borrower’s and/or student’s Social Security number; a student identifier assigned by the school or lender, and communicated to the other party, or other reliable identifying information. The lender must send an individual check for a Stafford or PLUS loan borrowers directly to the school, except in the case of a student enrolled at an eligible foreign school (see Subsection 7.7.E).

Some guarantors have additional or alternate requirements. These requirements are noted in Appendix C.

The personal endorsement of or other written certification by the borrower is required for Stafford and PLUS loan disbursement checks to be cashed or deposited in a borrower’s account at a financial institution. A check made copayable to the borrower and school must be endorsed by both the borrower and the school. See Subsection 7.7.E for acceptable uses of power of attorney applicable to students enrolled in study-abroad programs.

In lieu of a personal endorsement, the school may present the loan check to a financial institution for deposit in a borrower’s account pursuant to the borrower’s written authorization. This practice constitutes endorsement and does not violate the prohibition against the school or any person associated with the school having the borrower’s

power of attorney. When a Stafford or PLUS loan borrower provides the school with written authorization to deposit loan proceeds into the borrower's personal bank account, the school must retain documentation in the student's file that the authorization was obtained.  

[§682.207(b)]

### 7.7.D Disbursement by Electronic Funds Transfer (EFT) or Master Check

If the school and lender agree, the lender may disburse Stafford and PLUS loan proceeds by EFT or master check. Such a disbursement must be made to an account maintained by the school as trustee for the lender, the guarantor, the Department, and the borrower. The school must obtain the borrower's written authorization before the proceeds are released from the school's account to the student's account with the school. This authorization is included on the Master Promissory Note (MPN). See Section 8.3 for more information on required authorizations.  

[§682.207(b)(1)(ii)(B) and (C); §682.610(b)(5)]

If the school and lender agree, the lender may disburse loan proceeds by master check from the lender to an account maintained by the school as trustee for the lender.  

[§682.207(b)(1)(v)(B)]

Some guarantors have additional or alternate requirements. These requirements are noted in Appendix C.

### 7.7.E Disbursement for Students in Study-Abroad Programs or Foreign Schools

If a student is enrolled in a study-abroad program or a foreign school, special disbursement rules apply. Stafford loan funds may be disbursed directly to the student under some circumstances; however, under no circumstances may PLUS loan funds be disbursed directly to the borrower or dependent student. The lender must disburse PLUS loan funds for a student attending a study-abroad program or a foreign school in the same manner as it disburse PLUS loan funds for a student attending a domestic school (see Section 7.7).  

[§682.207(b)(1)(v)]

For proceeds disbursed by EFT or master check, the lender must provide the school with a roster (transmittal) listing each borrower's name and Social Security number (SSN), the gross amount of the disbursement, and the net amount of the disbursement after the guarantor's federal default and origination fees are deducted, as applicable. For a parent PLUS loan, the roster also must include the name and SSN or other reliable identifying information of the student for whom the parent is borrowing. This information may be provided to the school electronically or by fax, overnight mail, or courier.  

[§682.207(b)(1)(v)]

Proceeds to be disbursed by EFT or master check may not be transferred to the school’s account earlier than the disbursement date provided by the school.

Participation in EFT or master check may require an agreement between the school, lender, or guarantor.

▲ Lenders may contact individual guarantors for more information on disbursement by EFT or master check. See Section 1.5 for contact information.
11.6.A Eligibility Criteria—In-School

- Accept any applicable course of study at a foreign school for completion of the fellowship program.

11.5.B Deferment Documentation—Graduate Fellowship

If a borrower requests a graduate fellowship deferment, the lender should forward to the borrower the following common deferment form:

EDU
Education Related Deferment Request

11.5.C Length of Deferment—Graduate Fellowship

The deferment begins on the date the condition entitling the borrower to the deferment first existed, as determined by the lender. The deferment ends on the date the borrower withdraws or completes the fellowship program, whichever is earlier. [§682.210(d)]

See Section H.4 for information about a statutory or regulatory waiver authorized by the HEROES Act that may impact these requirements.

11.5.D Simplified Deferment Processing

A lender may grant an eligible borrower a graduate fellowship deferment based on information that the borrower has been granted a graduate fellowship deferment by another FFELP loan holder or the Department (for a Direct loan) for the same time period. The borrower must request the deferment either verbally or in writing but does not have to provide a completed graduate fellowship deferment form.

In granting the deferment in this manner, the lender may rely in good faith on the information obtained from another FFELP loan holder, the Department, or an authoritative electronic database maintained and/or authorized by the Department, unless the lender has information indicating that the borrower does not qualify for the graduate fellowship deferment. The lender must resolve any discrepant information before granting a graduate fellowship deferment in this manner.1

If the lender grants the graduate fellowship deferment using this simplified process, it must notify the borrower that the deferment has been granted and that the borrower has the option to pay the interest that accrues on an unsubsidized FFELP loan or to cancel the deferment and continue to make payments on the loan. [§682.210(s)(1)(iii) - (v)]

11.6 In-School Deferment, and Summer Bridge Extension, and Post-Enrollment Deferment

An in-school deferment is available to a borrower for the borrower’s and, in the case of a parent PLUS loan, the student’s both full-time at least-and half-time study at an eligible school. For a parent PLUS loan first disbursed on or after July 1, 2008, the parent borrower may request deferment of any PLUS loan borrowed on behalf of a student who meets the conditions required for an in-school deferment. In all other cases, a lender must grant an in-school deferment if it receives information that supports the borrower’s eligibility for the deferment. The guarantor forwards this information to the lender in the following cases:2

- When the guarantor learns of circumstances that may entitle a borrower to an in-school deferment (which often occurs during default prevention activities).
- When the guarantor receives a request or documentation for the deferment (either verbally or in writing).
- When the guarantor receives verification of the borrower’s eligibility for the deferment from the school.

If the lender receives information from the guarantor, the lender may rely on the information provided. The lender should require neither the borrower nor school to complete or submit any additional paperwork.

11.6.A Eligibility Criteria—In-School

A student’s in-school enrollment includes any combination of courses, special studies, research, or work experience that the school considers to constitute a course of study. Full-time or half-time enrollment is determined by the individual school and may vary according to whether the student is a graduate or undergraduate student; whether the

1. Policy 1071 (Batch 154), approved December 18, 2008
2. Policy 1086 (Batch 156), approved February 19, 2009
If a dependent student for whom a parent borrower obtained one or more PLUS loans first disbursed prior to July 1, 2008, if the dependent student for whom a parent borrower obtained the PLUS loans meets the conditions required for an in-school deferment, the parent borrower may defer all of his or her PLUS loans based on the status of that one student—provided the parent borrower’s loan was made on or after July 1, 1987, and before July 1, 1993, or the parent borrower had an outstanding balance on a FFELP loan made before July 1, 1993, when the parent obtained a loan disbursed on or after July 1, 1993.

A PLUS loan borrower who is classified under the category “New borrower” July 1, 1993 defined in Subsection 11.1.A must be enrolled on at least a half-time basis to be eligible for an in-school deferment. A deferment for such a “new borrower” who obtains a PLUS loan may not be granted on the basis of the dependent student’s enrollment status if the PLUS loan was first disbursed on or after July 1, 1993, and prior to July 1, 2008.¹

11.6.B Deferment Documentation—In-School

If a borrower requests an in-school deferment form, the lender should forward to the borrower the following common deferment form:

SCH
In-School Deferment Request

If a PLUS borrower requests an in-school deferment based on the enrollment of a dependent student for whom the parent borrowed a PLUS loan, the lender should forward to the borrower the following common deferment form:

PLUS
PLUS Borrower with Dependent Student Deferment Request

The lender must determine the eligibility of a borrower—or, as applicable, the dependent student—for an in-school deferment based upon the receipt of any one of the following:

- A written or verbal request for deferment from the borrower and documentation of the borrower’s eligibility for the deferment.

¹. Policy 1086 (Batch 156), approved February 19, 2009
• A new loan certification record that documents the borrower’s eligibility for a deferment. By signing the Master Promissory Note (MPN), the borrower authorizes a lender to defer all of his or her FFELP loans upon the lender’s receipt of information indicating that the borrower or, as applicable, the student, is enrolled at least half time.

• Student status information received by the lender indicating that the borrower is enrolled at least half time.

• Student status information contained on the National Student Loan Data System (NSLDS) if the school has requested that the lender use that information. [HEA §428(b)(1)(Y)]

• Other information certified by the school indicating that the borrower is enrolled at least half time.

The deferment must be granted through the eligible student’s anticipated graduation date for each eligible period of enrollment. If an in-school deferment is granted by the lender based upon a new loan certification record, the receipt of student status information, or other information certified by the school, and the borrower has not requested the deferment, the lender must notify the borrower of the in-school deferment. The notification must advise the borrower of the option to pay the interest that accrues on an unsubsidized loan, the option to cancel the deferment and continue paying on the loan, and the consequences of these options. [HEA §428(b)(1)(Y); §682.210(c)(2) and (3)]

If a borrower verbally requests a deferment, the lender must retain a record of that request in the loan file or servicing history. The record should include the date of the request. Copies of written deferment requests, school certifications, and other documentation supporting the borrower’s deferment eligibility should be retained in the borrower’s file. [§682.210(a)(6); §682.210(c)]

11.6.C Length of Deferment—In-School

An in-school deferment should end no later than the anticipated graduation date. If the information used to certify the borrower’s deferment eligibility does not include an anticipated graduation date (AGD), the lender may process the deferment through the academic period end date certified by the school or the AGD of record, whichever is later. The deferment will remain in effect until the student ceases to be enrolled at least half time or full time for pre 7/1/87 borrowers, as applicable. In the event that the lender receives new information that indicates the borrower has been or will be continuously enrolled, a new deferment request is not required to extend the period of deferment. When new information is received, the lender may approve the deferment through the AGD most recently certified by the school or the new academic period end date, whichever is later.

In some cases, a student may temporarily cease attendance on at least a half-time basis due to a leave of absence without having the in-school deferment period interrupted. For a student to be considered “continuously enrolled,” the school must include in the student’s file (a) a request for a leave of absence and (b) information proving that the student’s cumulative leaves of absence did not exceed 180 days in any 12-month period. [§682.22(d)(1)(vii)]

A student enrolled in a program of correspondence study is eligible for an in-school deferment when the borrower is considered to be in the in-school period for half-time study (see Section 10.2). Also, a borrower maintains continuous enrollment status if he or she temporarily ceases to be enrolled, but subsequently reenrolls, at least half time. The school must document that—allowing for any adjustment to the student’s cost of attendance (COA) for the period of less-than-half-time enrollment—the student remains qualified for the entire amount of any loan received, including any disbursements made before the cessation of half-time enrollment. Otherwise, the school must have made appropriate refunds, and payments to comply with the requirements for the return of Title IV funds (see Section 9.5). [§682.210(c)]

See Section H.4 for information about a statutory or regulatory waiver authorized by the HEROES Act that may impact these requirements.

11.6.D Summer Bridge Extension

In some cases, a borrower may be eligible to extend the period of in-school deferment based on anticipated reenrollment for the fall term. If a student attends school and is deferred through the end of the spring academic period and is planning to reenroll for the academic period in the fall, the deferment may be extended through the summer months.
A PLUS loan borrower is eligible to extend an in-school deferment through the summer if the PLUS borrower intends to enroll on at least a half-time basis in the fall. If a PLUS loan borrower is eligible for deferment based upon a dependent student’s status, the summer bridge extension may also be applied if any dependent student for whom a PLUS loan was obtained intends to enroll in the fall (see Subsection 11.1.A).[
§682.210(b)(4) and (6); §682.210(s)(2)]

When the lender receives notice of a student’s intent to reenroll, it may maintain the in-school deferment on the loan for up to 30 days following the date the borrower has provided as the beginning of the fall academic period. If the lender does not receive verification of reenrollment by the end of the extension, the lender must convert the loan to repayment on the day following the last date of certified enrollment and capitalize interest accrued during the extension period. A payment due date must be established that is no later than 60 days—plus the 30-day extension in the case of a Stafford or SLS loan, if applicable, as outlined in Subsections 10.5.A and 10.5.C—after the end of the summer bridge extension.

A lender may accept the borrower’s verbal statement of the student’s intent to reenroll if that request is documented or may use a guarantor’s form or its own form to document a borrower’s request for a summer bridge extension. Guarantors recommend that the lender send the borrower a form and a letter explaining the extension approximately 45 to 60 days before the expiration date of an in-school deferment that was granted for the spring academic period.

If the lender does not receive a notice from the borrower regarding the student’s intent to reenroll for the fall academic period, but subsequently receives documentation of the borrower’s deferment eligibility for the fall period, the lender may retroactively process the summer bridge extension.

▲ Lenders may contact individual guarantors for more information on obtaining summer bridge extension forms. See Section 1.5 for contact information.

11.6.E Post-Enrollment Deferment

For a parent PLUS loan first disbursed on or after July 1, 2008, the borrower may request deferment of his or her PLUS loan during any 6-month period beginning on the day after the parent PLUS borrower ceases to be enrolled at least half time at an eligible school, as determined by the out-of-school date provided by the school.

For a parent PLUS loan first disbursed on or after July 1, 2008, the borrower may request deferment of his or her PLUS loan during any 6-month period beginning on the day after the student on whose behalf the PLUS loan(s) was borrowed ceases to be enrolled at least half time, as determined by the out-of-school date provided by the school. If both the parent PLUS borrower and the student for whom the PLUS loan was borrowed meet the conditions for an in-school deferment, the parent PLUS borrower may request a deferment during any 6-month period beginning on the later of the following:

- The day after the student on whose behalf the loan was borrowed ceases to be enrolled at least half time at an eligible school as determined by the out-of-school date provided by the school.

- The day after the parent borrower ceases to be enrolled at least half time at an eligible school.

[HEA §428B(d)(1)(B)]

11.7 Internship/Residency Deferment

An internship/residency deferment is available to a borrower for either of the following:

- Service in an internship program that is required of the borrower to receive professional recognition in order to begin professional practice or service.

- Service in a medical internship or residency training program that leads to a degree or certificate awarded by an institution of higher education, hospital, or a health care facility that offers postgraduate training.

[$§682.210(n)$]

11.7.A Eligibility Criteria—Internship/Residency

This deferment is available only if the borrower has an outstanding balance on a FFELP loan that was made before July 1, 1993, or the borrower had an outstanding balance on a FFELP loan made before July 1, 1993, when he or she obtained a loan disbursed on or after July 1, 1993. The

11.24.B
Internship or Residency

A lender must grant forbearance to a qualified borrower who meets either of the following criteria:

- The borrower has exhausted his or her eligibility for internship/residency deferment.

- The borrower’s promissory note does not provide for an internship/residency deferment.

Eligibility and documentation requirements are the same as for a borrower who has requested an internship/residency deferment (see Section 11.7). A lender must grant forbearance in 12-month increments unless the actual period during which a borrower is eligible is less than 12 months.

For a medical or dental internship or residency, the forbearance must cover one of the following:

- The length of time remaining in the borrower’s medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service.

- The length of time the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility offering postgraduate training.

For any other internship or residency, the forbearance must cover one of the following:

- The length of time remaining in the borrower’s internship or residency that must be successfully completed before the borrower may begin professional practice or service.

- The length of time the borrower is serving in an internship or residency program leading to a degree or certificate awarded by an institution of higher education.

[HEA $428(c)(3)(A)(i)(I); §682.211(h)]

11.24.C
National Service, Loan Forgiveness, or Department of Defense Repayment

The lender must grant forbearance in yearly increments—or a lesser period equal to the actual period during which the borrower is eligible—for any period during which the borrower meets one of the following criteria:

- Serves in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993 (AmeriCorps). Before granting a forbearance to a borrower or endorser under this program, the lender must require the borrower or endorser to submit documentation of the beginning and ending dates for the period the borrower is serving in a national service position.

- Performs service that would qualify the borrower for forgiveness under the Child Care Provider Loan Forgiveness Program (see Subsection 13.9.A), unless the borrower has been granted a deferment for that period of service. Before granting a forbearance to a borrower, the lender must receive a completed FFELP Child Care Provider Loan Forgiveness Forbearance Form.

For additional information, refer to pages 39263-39265 of the Federal Register dated July 27, 2001, and pages 55385-55387 of the Federal Register dated August 29, 2002.1

- Performs service that would qualify the borrower for partial loan repayment under the Student Loan Repayment Programs administered by the U.S. Department of Defense under 10 U.S.C. 2171. Before granting a forbearance to a borrower or endorser under this program, the lender must require the borrower or endorser to submit documentation of the beginning and ending dates for which the U.S. Department of Defense considers the borrower to be eligible for a partial repayment of the borrower’s loan under the Student Loan Repayment Programs. 1. Policy 1080 (Batch 156), approved February 19, 2009
Chapter 13 describes the policies governing filing a claim with a guarantor and requesting loan discharge or loan forgiveness. This chapter discusses the policies related to and the documentation required for default claims, as well as for the various loan discharge types—closed school, death of a borrower or a student for whom a PLUS loan was obtained, false certification, total and permanent disability, and unpaid refund. Bankruptcy claim filing procedures are also covered, as well as a description of the procedures for the Loan Consolidation and the Loan Demonstration Program for Child Care Providers.  

1. Policy 1080 (Batch 156), approved February 19, 2009

### 13.1 Claim Filing

Lenders must adhere to the following requirements for all claim types. Compliance with these requirements is crucial; failure to comply may result in the cancellation of the loan’s guarantee.  

\[§682.401(b)(19)\]

#### 13.1.A Claim Filing Requirements

A lender must file each claim according to the policies and deadlines pertaining specifically to the type of claim being filed (for more information on these policies and deadlines, see each specific claim type in Sections 13.6 and 13.8). The lender’s claim files must be accurate and must include all documentation specified in Subsection 13.1.D.

If a lender submits a claim with any required documentation that is missing, incomplete, or inaccurate, the guarantor may attempt to obtain the necessary information from its own system or request the information from the lender. The lender must provide the requested information and, if applicable, refile the claim by the refile deadline (refer to Subsection 13.2.A).

For claim filing purposes, including loan discharges, all loan records related to a single Consolidation loan promissory note must be filed as one claim package or at the same time with the guarantor based on a single payment due date and amount. Although the subsidized, unsubsidized, and HEAL portions of a single Consolidation loan may appear as separate loan servicing records on the lender’s system, the lender must ensure that the Consolidation loan is administered as a single Consolidation loan. A guarantor may return a claim and impose a penalty up to and including the loss of the loan’s guarantee if it identifies that the loan has been serviced with different interest rates, except for the underlying portion of a Consolidation loan attributable to a HEAL loan, or payment due dates. The lender may correct the loan, as appropriate, and resubmit the claim. (See Subsection 14.1.E “Violations and Cures Associated with Unsynchronized Servicing of a Consolidation Loan with Multiple Loan Records.”)

▲ Lenders may contact individual guarantors for more information on claim filing requirements for Consolidation loans with multiple loan servicing records.  

▲ Some guarantors offer services that enable lenders to file claims electronically. Lenders may contact individual guarantors for more information on such services. See Section 1.5 for contact information.

#### Claim Form

The Claim Form is designed to be used by a lender to request claim reimbursement. All loans included on the Claim Form must have the same loan type (i.e., Stafford, PLUS, SLS, or Consolidation), due date, interest-paid-through date, lender ID, and, if available, claim review status.

The Claim Form and instructions include three separate claim-filing statuses: exceptional performer status, standard review status, and program review status. The claim-filing status the guarantor or Department assigns determines both the method by which the lender’s claims will be reviewed and paid and the documentation and information the lender will be required to provide in the claim file.

The claim review statuses are defined as follows:

- The Exceptional Performer Status is defined in regulation and assigned by the Department. Lenders designated as exceptional performers may file claims using documentation requirements outlined in Subsection 13.1.D. Such claims are not subject to additional review for due diligence, conversion to repayment, or timely filing requirements—except as determined to be necessary by the guarantor or the Department as part of the general program oversight responsibility. Bankruptcy claims filed by a lender designated as an exceptional performer are subject to review for the lender’s compliance with standard bankruptcy policies and requirements. The lender’s failure to comply with those requirements may result in the guarantor’s return of the bankruptcy claim to the lender, or, if the claim has been purchased, the lender’s

13.9 Forgiveness

Loan forgiveness is the release of a borrower’s or any comaker’s, as applicable, obligation to repay his or her loan, either in whole or in part, as a result of public service provided by the borrower or comaker. Congress has authorized two programs that provide loan forgiveness to qualified FFELP borrowers. Both of these programs and their corresponding borrower eligibility criteria are outlined in this section.

13.9.A Loan Forgiveness Demonstration Program for Child Care Providers

The Loan Forgiveness Demonstration Program for Child Care Providers is intended to bring more highly trained individuals into the early child care profession and to retain those providers for longer periods of time. Loan forgiveness under this demonstration program is contingent upon the availability of annual appropriations. Under this program, the Department repays up to 100% of a borrower’s eligible Stafford loan obligations. For the purpose of this program, the term “child care services” is defined as activities and services provided for the education and care of children from birth through age 5.

A borrower must meet the following criteria to qualify for this forgiveness program:

- The borrower must be a “new borrower” on or after October 8, 1998. [HEA §428K(c)]
- The borrower’s eligible loan(s) must have been made before the beginning of the borrower’s qualifying child care service.
- The borrower must have received an associate’s or bachelor’s degree in early childhood education after October 7, 1998. This field is defined as education in the areas of early childhood education, child care, or any other educational area related to child care that the Department determines to be appropriate. [HEA §428K(c)(1)]
- The borrower must obtain employment in a child care facility, defined as a facility, including a home, that provides child care services and meets the applicable state or local government licensing, certification, approval, or registration requirements, if any.
- The borrower must work full-time as a child care provider in a low-income community for at least 2 consecutive years immediately preceding the year during which forgiveness is requested. A low-income community is defined as one in which at least 70% of households within the community earn less than 85% of the state’s median household income. [HEA §428K(c)(1) and (2)]

If the borrower qualifies, the Department will pay—on a first-come, first-served basis, subject to the availability of funds—a percentage of the total amount of all eligible loans (excluding PLUS and Consolidation Loans) at the rate of:

- 20% after completion of the 2nd year
- 20% after completion of the 3rd year
- 30% after completion of the 4th year
- 30% after completion of the 5th year

The Department will also pay a proportionate amount of the interest that accrues each year. [HEA §428K(d)(1) and (3)]

If an individual not participating in this program returns to school, after initially graduating from school, to obtain an associate or baccalaureate degree in early childhood education, the student may apply to the Department for repayment under this forgiveness program of qualified loans received for a maximum of two academic years when the student returned to school. Repayment by the Department will be made in accordance with the preceding rate schedule. [HEA §428K(d)(4)]

The Department will give loan repayment priority to borrowers who received forgiveness in the prior year. No borrower may, for the same service, receive a benefit under both this Loan Forgiveness Program for Child Care Providers and subtitle D of Title I of the National and Community Service Act of 1990. [HEA §428K(c)(3)(B)]

Qualified borrowers may request loan forgiveness at the end of the second and each subsequent year of eligible child care employment by submitting a completed Child Care Provider Loan Forgiveness Application to the Department and providing any supporting documentation the Department requires. The Department will determine the borrower’s eligibility and notify the borrower of the amount that is being forgiven (see Appendix D for Department of Education contact information specific to this program). 13.9.A Teacher Loan Forgiveness Program

During the period of eligible employment, a borrower may request a forbearance by submitting a completed Child Care Provider Loan Forgiveness Forbearance Form to the lender (see Subsection 11.24.C). The lender must grant the borrower a forbearance unless the borrower qualifies for a deferment. 

[HEA §428K(d)(1) and (f)]

Receipt of a benefit under this program does not entitle the borrower to a refund of payments made on the loan. 

[HEA §428K(d)(2); Federal Register dated August 29, 2002]

13.9.A
Teacher Loan Forgiveness Program

13.9.B
Teacher Loan Forgiveness Program

The Teacher Loan Forgiveness Program is intended to encourage individuals to enter and continue in the teaching profession in certain eligible elementary and secondary schools that serve low-income families. The amount of loan forgiveness for which a borrower is eligible depends on all of the following criteria:

- When the borrower begins his or her qualifying teaching service.
- The borrower’s qualifications.
- The subject area in which the borrower teaches.

Under this program, the Department repays a maximum of $5,000 or $17,500, as applicable, (combined total for loans obtained under both the FFELP and FDLP) of a qualified borrower’s Stafford loan obligations, and Consolidation loan obligations to the extent that a Consolidation loan repaid a borrower’s qualifying Stafford loan(s). No borrower may receive benefit for the same teaching service under both the Teacher Loan Forgiveness Program and subtitle D of Title I of the National and Community Service Act of 1990 (AmeriCorps). 

[$682.215(a) and (c)(9); GEN-05-02/FP-05-02]

A borrower who completes the qualifying teaching service may request loan forgiveness by completing a Teacher Loan Forgiveness Application and forwarding it to the lender or guarantor. The lender must forward the borrower’s completed loan forgiveness application, including any supporting documentation, to the guarantor no later than 60 days after its receipt. The guarantor determines the borrower’s eligibility for loan forgiveness and advises the lender of its determination. The lender must notify the borrower of the guarantor’s determination within 30 days of receiving that determination. If loan forgiveness is granted and the borrower has an outstanding loan balance, the lender also must provide the borrower with information regarding any new repayment terms.

[$682.215(f)(2) and (4)]

Unless instructed otherwise by the borrower, the lender must apply a teacher loan forgiveness payment received on the borrower’s behalf first to any outstanding unsubsidized Federal Stafford loan balances, next to any outstanding subsidized Federal Stafford loan balances, and then to any eligible outstanding Federal Consolidation loan balances. 

[$682.215(f)(5)]

Receipt of a benefit under this program does not entitle the borrower to a refund of any payments made on the loan(s). 

[$682.215(d)(3)]

1. Policy 1080 (Batch 156), approved February 19, 2009

2. Policy 1065 (Batch 153), approved November 20, 2008

Eligibility Criteria

To be eligible for loan forgiveness under this program, a borrower must meet all of the following criteria:

- The borrower must have had no outstanding balance on a FFELP or FDLP loan on October 1, 1998, or had no outstanding balance on a FFELP or a FDLP loan on the date he or she obtained a loan after October 1, 1998.
- The borrower must have been employed as a full-time teacher for 5 consecutive, complete academic years at a qualifying school (see definition of qualifying school below) or a combination of qualifying schools, as certified by the chief administrative officer(s) at the school(s).
- Any consecutive 5-year period of qualifying service may be counted for teacher loan forgiveness purposes. 

See Section H.4 for information about a statutory or regulatory waiver authorized by the HEROES Act that may impact these requirements.

- If the school where the borrower is employed meets the eligibility criteria of a qualifying school for any year of the borrower’s employment, all subsequent years continue to qualify the borrower even if the school does not meet the criteria. However, if the borrower is
Requirements Pertaining to Request for Payment

The lender must forward the borrower’s completed loan forgiveness application, including any supporting documentation, to the guarantor no later than 60 days after its receipt of the documentation. If the lender files a request for payment later than 60 days after it receives the completed Teacher Loan Forgiveness Application and the guarantor approves the loan for forgiveness in whole or in part, the lender must repay all interest and special allowance received on the forgiven loan amount for periods after the expiration of the 60-day filing period. The lender is prohibited from collecting this interest from the borrower. [§682.215(f)(2)]

13.9.B Loan Forgiveness Program for Service in Areas of National Need

The Loan Forgiveness Program for Service in Areas of National Need is intended to encourage a qualified individual to enter and continue employment in a defined “area of national need.” The Department will grant loan forgiveness on eligible loans under this program on a first-come, first-served basis, and that loan forgiveness is contingent on the availability of annual federal appropriations. This program is currently not funded. If the borrower qualifies, not more than $2,000 of the outstanding balance of the borrower’s student loan obligation is forgiven after the completion of each applicable school, academic, or calendar year of employment. The maximum amount of forgiveness benefits that a borrower may receive under this forgiveness program is $10,000 and no borrower may receive forgiveness under this program for more than 5 years of service.

To qualify under this forgiveness program, a borrower must not be in default on the loan for which forgiveness is sought, and must be employed full time in an area of national need. A parent PLUS loan or a Consolidation loan that repaid a parent PLUS loan is not eligible for this type of forgiveness.

A borrower is considered to be employed in an area of national need if the borrower meets one of the following requirements:

- The borrower is employed full time as an early childhood educator.

- The borrower has obtained a baccalaureate or advanced degree in a critical foreign language and is employed full time in one of the following positions:
  - As an elementary or secondary school teacher of a critical foreign language.
  - In an agency of the United States government in a position that regularly requires the use of such critical foreign language.
  - In an institution of higher education as a faculty member or instructor teaching a critical foreign language.

- The borrower is highly qualified, as defined in Section 9101 of the Elementary and Secondary Education Act of 1965, and is employed full time as any one of the following:
  - A teacher educating students who have limited English proficiency.

13.9.C Loan Repayment Program for Civil Legal Assistance Attorneys

The Loan Repayment Program for Civil Legal Assistance Attorneys is intended to encourage a qualified individual to enter and continue employment as a civil legal assistance attorney. The Department will repay portions of a qualifying student loan on behalf of the borrower. To qualify for loan repayment, a borrower must be employed full time as a civil legal assistance attorney and must not be in default on the loan for which repayment is sought. Upon completion of the period of service under the initial written agreement, a borrower may enter into an additional agreement with the Department that may require the borrower to remain employed as a civil legal assistance attorney for less than three years. The Department will grant loan repayment under this program on a first-come, first-served basis and repayment is contingent on the availability of annual federal appropriations. This program is currently not funded.

A qualifying loan for the Loan Repayment Program for Civil Legal Assistance Attorneys is a loan made, insured, or guaranteed under the FFELP, Federal Direct Loan Program, or Federal Perkins Loan Program, and includes a Federal Consolidation loan or Federal Direct Consolidation loan to the extent that such a loan was used to repay any of the following:

- A subsidized Federal Direct Stafford loan, an unsubsidized Federal Direct Stafford loan, or a Federal Direct Grad PLUS loan.
- A subsidized Stafford loan, an unsubsidized Stafford loan, or a Grad PLUS loan.
- A Federal Perkins loan.

A qualifying loan does not include any of the following:

- A PLUS loan made to the parent of a dependent student.
- A Federal Direct PLUS loan made to the parent of a dependent student.
- Any loan other than a FFELP, Federal Direct, or Federal Perkins loan (e.g., a HEAL, HPSL, etc.).

If the borrower qualifies, the Department will repay up to $6,000 of the outstanding balance of the borrower’s student loan obligation in any calendar year. The maximum amount of repayment benefits that a borrower may receive under this program is $40,000. The Department will give priority in each fiscal year to a borrower who meets each of the following qualifications:

- The borrower has practiced law for 5 years or less and, for not less than 90% of the time in that legal practice, has served as a civil legal assistance attorney.
- The borrower has received repayment benefits under this program during the previous fiscal year.
- The borrower has completed less than 3 years of the first required period of service specified for the borrower in the written agreement with the Department.

When implemented, a borrower will be eligible to receive repayment benefits under this program by entering into a written agreement with the Department. The agreement will include, at a minimum, each of the following requirements:

- The borrower will remain employed full time as a civil legal assistance attorney for at least 3 years, unless involuntarily separated from that employment.
- If the borrower is involuntarily separated from employment because of misconduct, or voluntarily separates from employment before the end of the required 3-year service period, the borrower will repay the Department the amount of any benefits the borrower has received under the agreement.

If the borrower is required to repay an amount to the Department and fails to repay the amount, the Department or another agency may recover the sum according to methods that are provided by law for the recovery of amounts owed to the federal government.

The Department may waive portions of the required recoverable amount if it is shown that the recovery of the amount would be contrary to the public interest.

The Department will make student loan payments on the qualifying loan(s) for the period of the written agreement, subject to the availability of appropriations.

Receipt of a benefit under this program does not entitle the borrower to a refund of payments made on the loan. In addition, no borrower may, for the same service, receive a reduction of the loan amount under both this loan repayment program and the Loan Forgiveness Program for Service in Areas of National Need Program or the Public Service Loan Forgiveness Program under the Federal Direct Loan Program.
